- **Commercial and Residential Drainage**
- **Slab Preparations**
- **Rock Breaking and Post Hole Boring**
- **Rubbish Removal and Final Clean Ups**
- **Turf Prep and Landscape works**
- **Limited Access Excavations**
- **Nationally accredited WH&S**
- **Short And Long Term Hire**

Commercial Projects

Residential Projects

Attachments

We may operate one of the most modern fleets of Hourly Hire machines in the South East, but it is also paramount that we carry the specialised attachments to ensure not only a safe project but one that is completed on time and on budget.

Attachments:

Post Hole Borer (Rock Teeth) -
200,300,350,450,600,750,900mm

diameter. Drill to 6+ meters

Rock Breaker

Vibrating Plate

(Hydraulic compaction Plate)

Rock Grab

Compaction Wheel

Range of digging buckets

Spreader Bars

Laser Leveller

Road Broom (Sweeper)

4 in 1 buckets.

Tipper / Truck and Dog

- Supply of Recycled materials
- Crossover gravel 50-75mm
- Crusher Dust - sand
- Compactable Fill
- Landscape supplies

Dry Hire

To support our wet hire operations Carsburg Earthmoving can also provide a dry hire option on it's excavator fleet, with the flexibility of leasing terms and the many favourable benefits this provides over purchasing and owning large machines, it is understandable why so many operators use this approach.

No Capital Investment
Tax Deductable
No Maintenance Costs
No Costly Downtime

Business Expansion - this option also allows you to take on more projects, simply increase your machine requirements without all the risks.

Our 'dry hire' rates provide the most cost effective solution for your project.
